### dj jacfar

dj jacfar is one homegrown artist that has proven to the masses that Kenya has its own unique musical talent that can be showcased internationally.

With a career spanning over 3 years, it's impossible to discuss Kenyan contemporary entertainment without mentioning his name. Matter of fact, dj jacfar is the epitome of new age Kenyan music with his popularity spreading throughout the country and beyond.

Every song he has ever released has at one time or the other reached the top of popular Kenyan radio charts. No party is complete in Kenya without a dj jacfar jam.
